Re: Half way to St. Patrick's Day Money Calendars

The Ladies of Division 8 are selling Money Calendars. In the past, the Christmas Calendar fundraiser has been a great success. We are trying to improve our treasury with this fundraiser. Total value of all the prizes equals \$875.00.

We are asking for your help. When you purchase one of these great calendars, return the enclosed form and your \$10.00 (please see sample of the calendar on the reverse side). If you need a calendar for a present, we will be glad to send you one. What a great gift for that person who has everything!

Please support this fundraiser. Good luck and hope you are a winner!!!
Winners will be announced in the October newsletter
